# MPs to hold inquiry into Salmond row

MEMBERS of the Scottish Parliament are to hold an inquiry at Holyrood into the government's handling of the Alex Salmond investigation.

The government admitted in court on January 8 that the way it dealt with sexual harassment complaints against the former first minister was unlawful.

Nicola Sturgeon said she would refer herself to parliament over claims she broke the ministerial code.

And now a special committee will be set up to conduct the probe, focusing on how complaints were handled and the circumstances surrounding meetings between Ms Sturgeon and Mr Salmond during the investigation.

The first minister told BBC Scotland that she would "cooperate with all and any inquiries", and this was echoed by Mr Salmond.

# Wreath wrecking drunk is jailed

A HOMELESS man who threw poppy wreaths from a war memorial described his actions as "shameful" as he was jailed for eight weeks.

Ashwani Kumar took 50 wreaths from the Cenotaph in Swindon, Wilts, and scattered them in the road.

The alcoholic had drunk around three quarters of a bottle of vodka and could not remember a thing.

Kumar, of no fixed address, pleaded guilty to outraging public decency at Salisbury Magistrates' Court.

The 54-year-old said: "I'm an alcoholic. I'm very sorry."

# BLOKES' FURY AT RIGHT-ON RAZOR AD

SHAVING giant Gillette has landed itself in hot water with customers after launching a new right-on ad campaign aiming to tackle "toxic masculinity".

Men are now threatening to

boycott the company over its #MeToo-inspired ad.

The new campaign has put a new angle on the classic "The Best A Man Can Get" slogan – but not every customer is on board.

The brand has taken on sexism, sexual harassment and bullying with its advert, which puts the responsibility to change on men.

But many critics – including *Good Morning Britain* presenter Piers Morgan – took to social media to say they would no longer be buying its products amid claims Gillette "insulted their own user base".

Piers declared he would no longer be using the products, and clashed furiously with a guest as they debated the ad.

His fury was echoed by many on Twitter, with another person unhappy with the advert writing: "Get Woke, Go Broke."

I will no longer be using your products."

Another person tweeted: "So we just started 2019, and already a company has started pushing sexism towards Men..."

@Gillette have now become a Leftist Bigot Company that insulted their own user base by calling them 'Sexists'."

The advert has depictions of men talking over women, boys fighting and men catcalling or pretending to grope women.

It then shows men stepping in to prevent such actions and has the line "the best a man can be".

**FEARS were growing last night that Brits may have been caught in a gun battle between Islamist terrorists and security forces in a posh Nairobi hotel.**

Somalia-based extremist group al-Shabab yesterday claimed responsibility for the attack on a luxury hotel complex in Kenya's capital and said that fighters were still inside.

Witnesses and police at the scene in Nairobi called it the latest terror attack in a country that has seen several deadly ones in recent years.

The complex in the Westlands

By **BRAD CHADWICK** in Nairobi

neighbourhood includes a large hotel known as DusitD2, banks and offices.

People were rushed and carried from the scene, including someone on a stretcher.

Witness Charles Njenga said: "It is terrible. What I have seen is terrible. I have seen a human dead as I ran out and there is what looks like minced meat all over."

Another man, who hid in an office, added: "I have been hiding. My colleagues were running everywhere. I didn't see an attacker. It was a terrorist attack."

Gunfire continued several minutes after the first reports with black smoke rising from the area.

Foreign Office staff were last night trying to establish whether any Brits have been caught up in the drama.

For many, the attack immediately reminded Kenyans of the Westgate Mall attack in Nairobi in 2013, when al-Shabab extremists burst into the luxury shopping centre, hurling grenades and starting a siege that left 67 people dead.

The complex under attack is less than two miles from Westgate Mall and is in what is considered one of the most secure areas of the city.

The attack came three years to the day after al-Shabab extremists attacked a Kenyan military base in Somalia, killing scores of people.

The al-Qaida-linked al-Shabab objects to the presence of Kenyan troops in the turbulent Horn of Africa nation.

# Top cop's failures 'led to deaths of 96' court told

MATCH commander David Duckenfield's "extraordinarily bad" failures led to the deaths of 96 fans at Hillsborough, a court has heard.

The ex-policeman did not quickly take measures to free Liverpool supporters trapped in the fatal crush at the 1989 FA Cup semi-final, jurors were told.

Prosecutors said his actions "contributed substantially" to the loss of life.

Mr Duckenfield (below), 74, denies the gross negligence manslaughter of 95 fans. Ex-Sheffield Wednesday club secretary Graham Mackrell, 69, who is on trial alongside the

former South Yorkshire Police Ch Supt, denies safety breaches.

At Preston Crown Court, prosecutor Richard Matthews QC described the build-up to the game between Liverpool and Nottingham Forest, saying pressure to get through the turnstiles "almost inevitably" built up outside the stadium before kick-off.

But he said: "David Duckenfield gave no thought to the inevitable consequence of the flood of people. Nor did he make any attempt to even monitor what was occurring, let alone avert tragedy".

He told jurors Mr Duckenfield would have had "ultimate responsibility" for the police operation, but as the disaster unfolded he failed to quickly enact emergency measures.

The trial continues.

According to *People* magazine, stand-up comic Pete addressed the jokes about his physique in a comedy set, noting that since Grande is so tiny, "everything is huge to her".

He added: "I don't like that she talked all that shit for my penis. It was a mean, yet genius gesture."

## King of Jungle fame tough on Harry's missus

HARRY Redknapp's wife Sandra admitted she is finding his recent surge in fame difficult to deal with after he won *I'm A Celebrity... Get Me Out Of Here!* in December.

Former West Ham and Tottenham manager Harry, 71, has seen his popularity soar with a new audience since being crowned King of the Jungle in the reality series.

He told ITV's *Good Morning Britain* that he is enjoying being the centre of attention when he goes out, with fans frequently coming up to him asking for selfies.

Harry (above) revealed: "I went shopping, I popped into Marks & Spencer, everyone I see... every lady is coming up to me saying 'Harry, what you shopping for, a jam roly poly?' It's great."

Asked about her husband's popularity, Sandra said: "I've found it quite hard, being in the limelight more."

"But I've been really proud of him."

GOAT is set to become the food trend of 2019 as supermarkets test ready meals containing the "ethical" meat.

Despite the rising popularity of goat's cheese and milk among shoppers in recent years, goat meat has yet to take off.

But according to the BBC's *Good Food* magazine's list of top food trend predictions for 2019, goat is on the brink of entering the mainstream market.

Sources said supermarkets were testing recipes for goat sausages, meatballs and ready meals – which could soon be brought to shop shelves as an "ethical" meat option.

Also included on its foodie hotlist for the year are wonky fruit and veg, meat-free food and recyclable packaging.

They included orgasmed, bumhole, erection and

### Phallus

Several phrases which also made it into Rachel's countdown of the worst words were phallus, nobbed, OK I squirt, horniest and

cottager. Yet more include penises, shit, tossers, perverts and MINGE.

The Essex native left her fans in hysterics after sharing the amusing snaps on her Twitter page, where followers praised it as the "best post ever".

One fan wrote said: "I remember the 'clit' one when it aired, and did your best not

## MAD VLAD'S NUKE TSUNAMI TERROR!

**SUB-STANTIAL:** Weapons are launched from Vlad's subs

Wave goodbye, folks!

UNMANNED nuclear submarines which could cause a 300ft radioactive tsunami that would swamp coastal cities are Vladimir Putin's latest military toy.

The Russian president plans to deploy 30 of the terrifying Poseidon drones in both the Atlantic and Pacific oceans – strategically placed to create worldwide havoc at the touch of a button.

A source told Russia's state-owned news agency Tass: "Two Poseidon-carrying submarines are expected to

enter service with the Northern Fleet and the other two will join the Pacific Fleet.

"Each of the submarines will carry a maximum of eight drones and, therefore, the total number of Poseidons on combat duty may reach 32 vehicles."

### Targets

In a recent address Putin revealed the country had developed 70-knot unmanned underwater vehicles that could destroy aircraft carrier groups and other targets,

chillingly declaring there is... "simply nothing in the world capable of withstanding them".

Former U.S. State Department senior adviser Christian Whiton said a blast would create a "wave – and a highly irradiated one".

Experts have said that kind of blast under water could be enough to trigger a tsunami as powerful as the one that killed 20,000 people in Japan. Putins targets include Southampton, Portsmouth and even Torquay.

## Brazil nut blasts green model Gisele

SUPERMODEL Gisele Bündchen is a "bad Brazilian" for her actions in environmental activism, claims the country's new agriculture minister.

Tereza Cristina Dias was asked about the "PR problems" that have arisen from 38-year-old Gisele's criticism of government attempts to roll back Brazil's environmental protections.

"It's absurd what they do today with the image of Brazil," said Dias, previously the leader of the farmers' caucus in congress before being appointed to the environment ministry by president Jair Bolsonaro.

"For some reason they go out and paint a picture of Brazil and its industries that is not true.

"Gisele Bündchen, you should be an ambassador and say your country conserves, that your country is on the global vanguard of conservation, and not go around criticising Brazil without knowing the facts."

Gisele also works as a UN environment goodwill ambassador.

# YOUNG FARMER 'GROPED GIRL' AFTER SUCKING OFF HIS MATE

**DENIAL:**  
William Foster

**A YOUNG farmer living at the Royal Agricultural University performed oral sex on a male friend before sexually assaulting a female visitor as she slept at the campus, a jury was told.**

The woman was so shocked and distressed by the assault that she fled barefoot in her nightclothes into the street on a rainy night, Gloucester Crown Court heard.

William Foster, 23, of Hunningfield, Suffolk, has pleaded not guilty to sexually assaulting the woman at the University in Cirencester, Gloucs, between June 1 and 4, 2017.

Prosecutor Ian Fenny said the woman had travelled to the prestigious University to visit a male friend who worked there and who shared a flat with Mr Foster.

She spent the night of Friday, June 2, in the town with her friend, Mr Foster and his then girlfriend, Mary Seay.

"During the course of the evening they went back to campus and the socialising continued," said Mr Fenny.

"Mary felt unwell and returned early. Some while later the three also came back."

Mr Fenny said that the woman was tired and decided to have a shower.

**Sexual**

"Up until this point, there was nothing to suggest there was any sexual interest from the woman in the defendant," said Mr Fenny.

"She paid him little interest and in her thoughts she knew he had a girlfriend."

He alleged that Mr Foster "came into the bathroom at least once".

Mr Fenny added: "He took a photo of her clothed. She told him to get out. Nothing ambiguous in that."

**Court told he asked about her breast size**

By GREG FLINT  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"After her shower she changed into her night clothes then entered the bedroom in the flat.

"In a strange and odd twist she noted the defendant climbed into bed and performed oral sex on her male friend," the barrister told the jury.

"There is no suggestion that act was criminal," Mr Fenny said. "Both consented but it made her uncomfortable."

The woman then went into the living room of the flat where she was going to sleep on one of the sofas, Mr Fenny said.

Mary was already sleeping on the other sofa, he explained.

He said: "The alleged victim curled up on the other sofa under a blanket.

"She was disquieted by what she saw from the men and she pretended to be asleep when the defendant entered.

"His intention was to sexually touch her," Mr Fenny alleged.

"He spoke to her, used her name. That contradicts his later explanation that 'I thought I was touching my girlfriend Mary'."

"He then asked what size her breasts were. She continued to feign sleep."

He alleged Mr Foster then "put his hand under her blanket, and touched her thigh".

Mr Fenny said: "She was shocked by this and pretended to be asleep.

"He moved his hand inside her shorts and inexorably towards her vaginal area.

"When she realised that he was moving towards her most private area, she physically reacted. She jumped up and fled barefoot into the street, where it was pouring with rain.

"Whatever happened was sufficient to frighten her that she ran in her underwear with bare feet in a town she did not know to call the police.

"When the police attended they found her very distressed.

"She wasn't unsteady on her feet, did not smell of alcohol, and gave a coherent but distressed account of what happened."

The trial continues.

# KILLER ATTACKED BROTHER 'LIKE FREDDY KRUEGER'

A KILLER hacked his half-brother to death "like Freddy Krueger" because he thought he was having an affair with his girlfriend, a court heard.

Marc Tyrone Thomas, 39, snuck up on Rotimi Oshibanjo, 26, as he slept at the home they shared with their mum in Ealing, west London, and repeatedly stabbed him on February 19, last year.

Thomas later called the police and said he knifed his brother after they got into a fight.

Cops arrived to find the bedroom and downstairs area covered in blood with a hunting knife lying discarded on the ground.

Mr Oshibanjo could not be saved despite the frantic efforts of medics.

Thomas previously enjoyed a good relationship with his younger brother until his mental health deteriorated.

Following his arrest he was placed in solitary confinement after he tried to assault another inmate by pouring boiling water over his head.

Thomas, who was suffering from paranoid schizophrenia, later admitted the killing to a psychiatrist.

He said he went for his brother "like Freddie Krueger" and stabbed him to the back of the head and shoulders, so he would bleed out more quickly.

Thomas was originally charged with murder but prosecutors accepted his plea to manslaughter on the grounds of diminished responsibility.

Judge Anthony Leonard QC told

him: "The only thing that seemed to come between you and your brother was a delusional belief your partner was having an affair with him."

The court heard how Thomas's mental health difficulties were exacerbated when his 11-year-old daughter died on Sudden Infant Death Syndrome in 2011.

Prosecutor Timothy Cray read a statement on behalf of the siblings' mother to the court.

It read: "Over the last six months before the incident, Mr Thomas started to change within himself.

"His appearance declined, he was scruffy and he stopped bathing. He was reading conspiracy theories on his laptop and smoking cannabis.

"She said that she and Rotimi were on eggshells in the house because they did not want to upset him."

Thomas was detained under sections of the Mental Health Act, 1983.

## Miss busted after 'kidnap' of teen lover

A TEACHER has been charged after allegedly kidnapping a pupil she had sex with.

Breanna Hernandez, 37 (above), of Nevada, now faces two counts of kidnapping, two of lewdness with a minor and two of luring a minor.

Officers from the Clark County School District Police Department launched an investigation into Hernandez after they discovered reportedly "inappropriate" texts between her and the pupil in November last year.

The child attends Basic Academy of International Studies, where Hernandez worked.

She was hired by the school district in 2015, but her status is now listed as "assigned to home".

A spokesperson said following her arrest: "The arrest stems from an investigation that was initiated in November."

"This happened after inappropriate messages between Hernandez and the student were discovered."

## Foragers' magic shroom warning

HIPSTER foragers have been warned of a bumper crop of magic mushrooms after the mild winter caused the psychedelic fungi to thrive.

Specialists say the warmer weather means the naturally-occurring class-A drug has been found growing in large numbers in Staffordshire and Shropshire.

John Hughes, a fungi expert at Shropshire Wildlife Trust, warned: "The longer the season, the greater the risk foragers could accidentally pick something which is hallucinogenic."

"So with the warmer winter this is definitely more of a risk this year than in previous years."

"The key thing foragers should be aware of is not to pick anything you're not sure what it is."

"It is as simple as that, because there are many things out there which are toxic."

## Chanting sex ritual in woods unearthed

A COUPLE were caught smeared in bird blood while having sex and surrounded by chanting women in the woods.

A dog walker was looking for her pooch when she stumbled across the ceremony at the Hawthorth Wood Trail in Leeds, W Yorks.

The witness said: "I let the dog off for a run and he disappeared. I heard what I thought was shouting so I went to get him - I thought he'd scared someone."

"It sounded like someone shouting in a different language, but I saw a lady in her late 30s laid on a white plastic sheet."

She watched a man use his finger to take blood from a dead bird and smear it on the woman's face before they had sex.

The witness found her dog and left, but passed the area again 10 minutes later to find the couple surrounded by five women chanting.

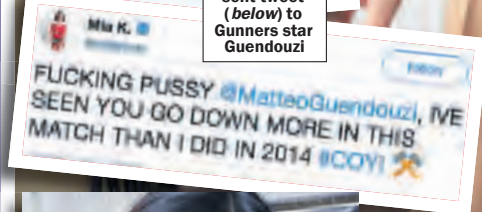

She called the police, who later said that no arrests were made.

For a brief period Mia was the most watched woman on Pornhub, the world's largest online sex site.

The BangBros film initially sparked outrage in her home country with haters claiming she had brought disgrace to the nation and insulted Islam.

But Mia said in a lads' mag interview she was being made a scapegoat for internet censorship in her native land.

She also received online death threats including a manipulated image of an ISIS executioner preparing to behead her, and a message warning her that she would go to Hell.

She hilariously replied to this: "I've been meaning to get a little tan recently."

Declan Rice's top finish at the London Stadium gave the Hammers a well deserved 1-0 win over the Gunners on Saturday.

"There is going to be at least one dumbass that tries to use that eggplant bath bomb as a dildo."

# 'I THOUGHT HAND JOBS WERE LEGAL'

A WOMAN running massage parlours who told cops she thought the offering of "manual relief" was legal has escaped with a suspended prison sentence.

Nan Wu, 37, pleaded guilty at Dublin Circuit Criminal Court to controlling and directing the actions of prostitution for gain.

Sergeant David Bunn told the court that a member of the public complained that a high number of male visitors were attending a massage parlour in Windy Arbour, Dublin.

Sgt Bunn called the establishment and was offered

prostitution services. He then obtained a search warrant and visited the business on April 17, 2017.

He identified himself as a police officer to the woman who opened the door and she showed him to the treatment room which contained a naked

woman and man. The woman got dressed and provided him with the phone number of her employer, Wu.

Wu, of Blanchardstown, was arrested and interviewed by police. She admitted knowing her employees provided "sex acts for money" and told

officers about a second massage parlour she owned where similar acts took place.

James Dwyer SC, defending, said there was no sexual intercourse taking place at the massage parlours and that those who visited "could get what might be described as manual relief".

Mr Dwyer said that Wu had believed what her employees were doing was legal. She had once sacked an employee for having full sex with a client.

Judge Elma Sheahan sentenced Wu to two years in prison suspended for three years.

**STUNNING** Zoe Ball was a **SMASH HIT** on her first day in charge of Britain's biggest radio show.

The 48-year-old broadcaster took over the reins of the *Radio 2 Breakfast Show* from Chris Evans on Monday and kicked off playing Aretha Franklin's *Respect* as her first song.

And to celebrate Zoe's arrival, today we're printing snaps of her **BEST HITS!**

Blackpool-born Zoe began Monday's show with the words: "Hello, my name is Zoe. How's your belly off for spots? Good morning Radio 2 superstar listeners, here we go."

The saying "How's your belly off for spots?" is a northern way of asking: "How are you?"

### Cheesy

The posh Daily Telegraph awarded the show four stars, with Charlotte Runcie writing: "The really good news is that Ball was sparky and friendly, and not at all cheesy, braggy or shouty."

"Her conspiratorial tone of voice made for a truly refreshing change from the louder Evans era."

"And, as the show drew to a close, I found myself thinking a welcome thought: actually, I haven't felt this at home on Radio 2 since the days of Wogan."

Ball inherits about nine million listeners from Evans and told listeners he sent her a "lovely message" on Sunday night.

Evans, 52, will start his new rival breakfast show on Virgin Radio next week.

**STORMY Daniels is suing a cop vice unit over her arrest last year at a strip club.**

The porn star, whose legal name is Stephanie Clifford, is suing for false arrest, malicious prosecution, conspiracy to violate U.S. amendments and abuse of legal process.

She wants more than \$1million in compo plus a \$1million in punitive damages as well as costs.

## Conspiracy

Stormy claims four officers of the Columbus, Ohio, police department

targeted her in a July operation because they were supporters of President Donald Trump and "believed that Ms Clifford was damaging President Trump and...entered into a conspiracy to arrest her" in retaliation for embarrassing the President, according to the lawsuit.

Police said at the time that she was arrested for allegedly violating a no-touch law during her striptease performance at the Sirens Strip Club.

Charges against the adult-film actress were

dropped hours after the arrest.

In the months before the arrest, Stormy had been speaking out about her alleged sexual relationship with Trump in 2006, and the \$130,000 in hush money she had been paid days before the 2016 election through a company set up by then-candidate Trump's lawyer, Michael Cohen.

After being arrested

and detained for 12 hours, Stormy posted bail and was released.

The charges were dropped because the law did not apply to her as she was a guest performer and did not regularly appear at the club, it was revealed by the city's attorney.

Columbus Chief of Police Kim Jacobs called the arrest a "mistake" in a statement soon after her release.

## Red Bull ad axed over 'early finish'

AN advert for Red Bull, suggesting the energy drink could help workers achieve a 4pm finish, has been banned for implying it can increase focus and concentration.

The poster, seen on the London Underground last year, stated: "The secret to finishing early...because to leap every hurdle a hectic day brings, you just need to know: Red Bull gives you wilings."

A reader complained the ad implied that the caffeinated energy drink had a beneficial effect on health, in particular focus and concentration.

Red Bull said the ad promoted the 4pm finish "consumer initiative".

It said the ad did not suggest the drink delivered a health benefit, made people better at doing their job through increased concentration or focus, or had any health benefit.

**R**AUNCHY Riah Read prefers receiving rather than giving oral sex and she's been told she's the BEST SHAG some men have ever had.

The Birmingham-born babe says that a good tongue lashing always gets her hot and horny for a good sex session.

Riah, 25, said: "I'd rather receive, but only if the guy is really good at it."

"Some men can be a bit clueless at licking me down there."

"When a guy really knows what he's doing when it comes to cunnilingus, it can be absolutely mind-blowing."

She is also a big fan of outdoor sex.

Riah, who has lovely 34C busters, told us: "I like having sex on the beach, outdoors and in public."

"You just feel so naughty knowing that you could be caught out at any minute."

"You're stuck between having a brilliant time and ending up in real trouble!"

# FOOTIE STAR PROBE OVER W\*\*K PRANK

**FOUL PLAY:** Footage shows Whyte and pal with cocks exposed

**POLICE are investigating a professional footballer after footage emerged appearing to show him simulating having a WANK in public.**

The clip showed Oxford United and Northern Ireland winger Gavin Whyte and another man walking down a road singing and simulating masturbation with their penises exposed.

The incident is believed to have taken place in Northern Ireland following Oxford's 2-2 draw with Fleetwood on Saturday.

The League One club slammed the "clearly unacceptable" conduct and confirmed they will give Whyte a warning about his actions.

## Devastated

Oxford manager Karl Robinson said: "It is totally out of character. Gavin is a quiet, respectful young man who is totally devastated by this."

"I have rarely heard anyone so remorseful for something that he regrets and knows he shouldn't have done."

"Clearly he had drunk too much, and we will deal with that too, but whether you are a footballer or not that sort of behaviour is wrong on every level."

"We will sit down with Gavin and we will

remind him in no uncertain terms of his responsibilities.

"He is a great kid and I hope the fans can forgive him for one moment of madness."

Whyte has scored four times for Oxford since his summer arrival from

Irish Premiership side Crusaders.

The 22-year-old was given his international debut in September and scored with his first touch after coming on as a substitute in Northern Ireland's 3-0 friendly win over Israel.

Police in Northern Ireland confirmed they are investigating the incident.

## Fury over unisex changing rooms

**WOMEN claim they are uncomfortable seeing men "parading around naked" in front of them at new unisex changing rooms in a leisure centre.**

A gender-neutral "changing village" was created as part of a £10m refurbishment at Bath Sports and Leisure Centre.

Leisure centre user Vicky Drew, said: "Men should be made more aware that this is not on."

"For some women this is very uncomfortable. It's a safety issue. Women are far more likely to be sexually assaulted in unisex facilities."

"Not everybody would like to be confronted by men with everything out."

She added that women "should not have to run the gauntlet of naked men" to reach the single-sex facilities near communal changing rooms.

## Shock as undies firm airbrushes out fanny

**FASHION** brand Nova has been accused of airbrushing a model's FANNY from a photo of its latest outfit.

The costume features a plunging bra section which is covered with black material.

However, from the chest downwards the figure-hugging piece is practically see-through.

This means the woman's TWAT should be on show – but as one eagle-eyed tweeter pointed out, this isn't the case.

The Twitter user – named Fiona – wrote: "I can't stop thinking about this

Fiona's post has now racked up over 560 likes, with a number of people commenting on the model's bizarre anatomy.

One wrote: "I mean I've seen them do it with nipples but getting rid of a whole vulva is something else!"

Another commented with just three words: "It's very unsettling."

While a third simply said: "SHE LOOKS LIKE A BARBIE DOLL."

## 'Mad Friday' drunk waved willy at cops

A MAN waved his willy at cops on a Mad Friday night out.

Aaran Tierney, 27, was fined £80 after pleading guilty to drunk and disorderly behaviour in Workington, Cumbria.

Prosecutor Diane Jackson told West Cumbria Magistrates Court described that Tierney was approached by police officers at 3am after urinating against a building.

He initially followed their instructions to conceal himself, before removing his genitals from his trousers again and shaking them at the officers while telling them, "I will get my [genitals] out for you."

He was arrested moments later when he insulted a male officer.

Tierney told the court he was "really shocked" to hear of his behaviour.

He said: "I never flash anyone, I don't even flash my girlfriend."

"I'm sorry, I have no knowledge of it, it's news to me – I'm absolutely shocked."

## Drink drive mum's 150mph 'lesson'

A MUM who drove drunk to teach her misbehaving son a lesson has been charged with putting his life in peril.

Sunita Jairam, 48, was arrested on charges of drink driving and endangering the welfare of a minor.

Police arrested her on Sunday and found she was twice over the limit.

She told officers she'd been driving at speeds of up to 150mph in her BMW.

Jairam, from Lexington, Kentucky, also told cops she "drank a bunch of beer and got in her car to drive to teach her son a lesson".

She has previous drink driving convictions.

A police source said: "That's the worst attempt at parenting I seen since my pappy whooped my little brother the day he done caught him stealing swamp apples."

# HIDE & SEEK CHAMP FOUND DEAD IN LIFT SHAFT

A MAN found dead in a lift shaft in a deserted building is thought to have fallen while playing a game of hide and seek.

The man, whose identity has not been released, was with a group of friends suspected of trespassing when they played the late night game on the ninth floor of the building in Detroit, Michigan.

Police said the victim was most probably running to hide when he ended up falling through the lift shaft.

### Debris

The group of friends could not find him and left the building, police said.

They returned later the next day and found the missing man's body on the first floor in the shaft, covered in debris.

Police said that the building is part of the former Detroit Packard Motor Company plant, which has been disused for a number of years.

A police source last night said: "Apparently, the dead gentleman won the game of hide and seek with his pals."

"But I done reckon that's cold comfort to his family."

## Fireman caught bonking woman on car bonnet

AN off duty fireman was arrested after he was seen having sex in the middle of the street.

Thomas Lewis, 58, was seen getting a blow job from Penny Snoots, 56, in the middle of the road, according to the affidavit.

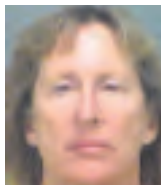

The pair were both arrested for lewd and lascivious behaviour.

Witnesses told cops that after oral sex, Lewis (*above*) and Snoots (*below*) began having sexual intercourse on the bonnet of a vehicle in St Petersburg, Florida.

Both suspects were seen pulling up their pants by deputies who arrived at the scene.

Deputies say they saw Snoots' arse.

Lewis is currently on paid leave.

A MAN arrested for cocaine possession tried to EAT the police car officers had put him in.

Melvin Stubbs, 37, was held on charges of cocaine trafficking and resisting arrest.

But he was also charged with damage to public property after he was found to have chomped on the arresting cops' car seat.

A police spokesman said: "Stubbs began kicking the passenger side of the patrol car door with his feet."

"Officers noticed a large piece of the back seat of the car that he had chewed off."

Stubbs was placed in feet restraints and taken to a hospital in Marathon, Florida.

He had to be put in a wheelchair and further restrained due to his combative behaviour.

MADONNA joined stars Scarlett Johansson and Whoopi Goldberg to watch a play featuring full-frontal male nudity.

The Queen of Pop, 60, was at a special viewing of off-Broadway show, *Slave Play*, in New York.

The play focuses on the sexual relationships between mixed-race couples during the era of slavery.

It has earned several

accolades and a bevy of admirers which also include composer Stephen Sondheim and *Angels in America* playwright Tony Kushner.

On Monday, writer Jeremy Harris, 29, tried to shut down a report that Madonna was "lured" to the show for its nudity.

"There's been a lot of fake news regarding *Slave Play*," he wrote, before confirming he and the singer, who took

along daughter Lourdes Leon, "shook hands."

The play, which aimed to spark conversations about race, history, gender and sexuality in America, was directed by Robert O'Hara and opened at New York Theatre Workshop last year.

It is recommended for audiences of 17 and older, due to "nudity, sexual content, simulated sexual violence and racially violent language".

# TEEN FACES LIFE FOR SLAYING TRANS HOOKER

**A SCHOOLBOY murdered a transgender escort after telling her that having sex with her made him feel suicidal, police say.**

Tremon Hill, 17, is accused of shooting Dejanay Stanton, 24, in the head in August last year – a month after he slept with the sex worker.

Hill and Stanton began talking in July, and met at a hotel in Chicago's South Side later that day, where they had sex multiple times.

He claimed to be 18, and told Stanton that although he was very attracted to her, he didn't want to have sex with a transgender person.

Hill is said to have texted her on August 12 saying that he had been having suicidal thoughts since their encounter, and asking her to delete photos he'd sent her.

Stanton did so and agreed to meet Hill again on August 30.

On that day, Hill lured the vulnerable young woman to a quiet part of Chicago's Bronzeville area, where he shot her dead.

A subsequent scan of Hill's texts showed him guiding his alleged victim to where her body was found.

Mobile phone towers as well as surveillance cameras put him at the crime scene, with prosecutor Britt Steinberg also highlighting how

**By SARAH JONES**

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

communication between the pair ceased after the latter was murdered.

A search of Hill's home also found the trousers he had been filmed wearing on the day of Stanton's murder covered with "small red stains".

Details of Stanton's killing were revealed during a bail hearing, which saw Hill ordered to stay in jail.

He is being tried as an adult and faces life in prison if convicted of first-degree murder.

The killing sparked mass protests in Chicago, with groups of activists saying this highlighted just how vulnerable transgender women of colour are to violence.

## 'Toilet' hospital is panned

**A HOSPITAL in China has sparked giggles online – as it looks like a giant TOILET!**

The huge building covers 187,500 square metres at the Guangxi International Zhuangyi Hospital.

When seen from above, the multi-storey "tank" part of the structure is where the in-patients are hosted, while the circular part – which many reckon resembles a toilet bowl – hosts the hospital's clinical departments.

The architect has since been accused of "imperialist running-dog reactionary sabotage" and could face the death penalty.

By COLIN HURST

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A SEX beast with real-life DEVIL HORNS tried to pose as a woman in order to lure girls to his home.**

Arturo Martinez, 42, is charged with contact with a minor with the intent to commit a sexual act.

Police swooped on Martinez at his home after receiving complaints from several women, including a 17-year-old girl.

The teen said he lured her to his home by deceiving her.

Martinez even put on a woman's voice on the phone to tempt girls to his home.

The heavily tattooed and pierced defendant contacted women online to solicit services for babysitting, cleaning, taxis, property, and other businesses that focus on deliveries.

## Indecent

Police who executed a search and arrest warrant at his home said they found enough evidence to arrest Martinez.

He is being held at the High Desert Detention Center in Hesperia, California.

Cops said Martinez was already on the sex offender registry for a prior conviction of indecent exposure.

And they believe there may be more victims of lumpy-headed Martinez.

They hope that by releasing images of Martinez — who has bizarre devil horn implants in his skull — they can uncover more information.

WHAT THE DEVIL?... Martinez

## Motor home gets sunk doggy-style

AN OVER-EXCITED pet dog drove his owner's motor home into a lake, after the man took his boat out to practise for an upcoming finishing tournament.

The Dalmation, who was in the motor home while his owner was getting the boat ready, knocked it into reverse and sent it for a dip in Lake Sam Rayburn, Texas.

Eric Jackson's two-year-old pet Bodi was still in his 38-footer while Jackson was in the boat on a ramp.

Bodi accidentally stepped on the gears sending the RV rolling right into the lake.

Jackson said: "Darned dumb cur cost me a hole mess o'dollars to get the damn thing out of the water. Yes siree!"

FUCKS GIVEN: NUN

# THE WORLD FAMOUS AGONY Page

**Dear Bexie,**

I'M having an affair with our babysitter and my thick wife doesn't suspect a thing.

I'm 27, the missus is 29 and the babysitter is 19, with pert tits and a tight pussy.

She's quite experienced for a teen and I have been shagging her for six months. She lets me do anything I want with her, which is more than the ball and chain does.

The wife believes everything I tell her – that's how I can enjoy my cake and eat it!

We go out twice a week and while she's getting ready me and the babysitter have a quickie.

We make love all over the house, even in our bed while the wife is relaxing in the bath.

Do you think she knows and is just turning a blind eye?

### Bexie says...

**YOU'RE** playing with fire my friend. Be warned!

# Dear Bexie.

I'M a barmaid and I love sex. I'm 21 with long, dark hair and most blokes can't take their eyes off my 34Ds.

I am used to being chatted up but had never taken it any further until one of the regulars offered me £20 to suck his cock

I needed the money, so I gave him a blowjob on my way home. I must have impressed him, as over the next few weeks several of his mates paid me to give them a gobble.

I was happy with the extra money and was delighted when the landlord offered me £500 to be shagged by him and a couple of customers.

On the night of the gang-bang the landlord led me to the pool table and soon I was being banged by three blokes.

But they told everybody in town and now I can't go anywhere without being called a slag.

What should I do?

# Girlfriend's filthy pal has made me her sex slave

## Dear Bexie,

MY bird's mate is a right dirty cow  
and she has wanted to shag me for  
ages.

I managed to resist her advances until just a couple of weeks ago.

My girlfriend was away at a conference for the weekend and her mate came round to my flat clutching a couple of bottles of wine and a pizza.

She said she was just checking up on me to make sure I wasn't seeing any other women behind my bird's back!

We soon polished off the wine and we were both a bit tipsy and I could see what was coming next.

She stood up and stripped off to her black G-string before getting out my throbbing cock and sucking me off

She then pleasured herself with a wine bottle until I was rock-hard

again. I led her to my bedroom and gave her a good shafting.

But when I woke up the next day,  
I felt horribly guilty.

I told her that we couldn't have sex again, but she said she would tell my girlfriend if I didn't carry on seeing her.

She explained that she didn't like my girlfriend anyway and if their friendship ended she wouldn't be that bothered.

So I now have to bang her twice a week.

The last time we did it she tied me up and spanked me with a cane.

I'm virtually her sex slave now. What do you think I should do?

# I'm worn out playing kinky sex games he sees on TV

**Dear Bexie,**

**MY boyfriend is wearing me down with his constant – and bizarre – sexual requests.**

We've been going out together for two years and recently set up home in a roomy two-bed flat.

The problem is that what he watches on the telly he tends to put into practice in real life.

Take this for example. There was this game show which you got the chance to open a box containing details of a super prize.

We watched it together and I must admit I quite enjoyed it.

He's a bit of a pub quiz fan and when it finished he got me to ask him a few questions – as a test.

## Hammering

Amazingly, he got them all right and demanded his big prize.

I was just going along with the fun, wondering what the punchline would be, when he pulled me into the bedroom, which I didn't resist.

He quickly stripped me and the next thing I knew, I was naked on the bed and he was standing above me demanding: "Open the box!"

I soon realised what he meant as he parted my legs and entered me.

Then he spent the next half-an-hour hammering into me from all angles.

I must have orgasmed five or

more times and was covered in his man muck.

We had a really great session, but the next programme he took a fancy to watching on the telly was a play about two lesbians.

As soon as it finished he started on to me, asking if I could please find another woman to make love to – so he could watch!

I was a bit shocked and told him so and although he apologised and calmed me down, it didn't end there.

He found a satellite station showing old Benny Hill re-runs and watched three or four of them, back to back.

So he asked me to dress up as a nurse and run around the house chasing him.

This was great fun and we ended up having a frenzied f\*\*k for about an hour.

Then he started on at me again about lesbo sex.

I'm trying to put him off the idea but I am also quite worried about what he'll come up with next if I don't agree to bringing another girl back to the house for some adult fun.

How can I stop him wanting to recreate everything he sees on the telly?

*MH, Lancs*

**Bexie says...**

**TAKE the remote control off him.**

**Dear Bexie,**

**I MOVED to a new town last month and made friends with a guy in the local pub.**

He's in his early 50s and works abroad a lot and he confided in me that he worries his wife shags around when he's away.

So he employed me as a part-time gardener while he was next away on a trip, asking me to keep an eye on her.

When I got there for my first day I wasn't expecting his wife to be so fit.

She's in her early forties and it wasn't long before she was whispering in my ear that she wanted a f\*\*k.

She told me she'd always wanted a toyboy – I'm 23 – and was soon sucking my throbbing cock.

After swallowing my mess, she revealed her 34D tits and firm arse.

I gave her a good licking out before I bent her over the sofa, taking her doggy-style until she had a screaming orgasm.

I've shagged her several times since, but she now wants to leave her husband, who's due back in a couple of weeks, and move in with me!

What should I do?

*TV, Coventry*

**Bexie says...**

**STAY calm.** She will probably change her mind when her husband returns.

## DO YOU HAVE A SEX PROBLEM?

**Dear Bexie,**

I AM a 24-year-old geezer and have only had sex with three women.

I am currently single. This is my fault as I really want to hook up with birds, but I am too scared as I have a bendy penis!

The last time I pulled a nice blonde bird and got her back to my place, it all went badly wrong.

Everything was going great to begin with as I stripped her off and sucked her big nipples before

switching down below to give her fanny a good licking.

She was gagging for it, but as soon as I pulled out my bent cock she had a laughing fit and told me there was no way she was taking that inside her.

Now I worry that all women will take one look at it and tell me to f\*\*k off. What should I do?

## MICHELLE MARSH

By SIMON DEAN

[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

**IF you thought the only famous things to come out of Oldham were Bernard Cribbins and the tubular bandage, think again.**

Because the Greater Manchester town is also where gorgeous Michelle Marsh calls home.

Before becoming a model, Michelle worked as a care assistant at a nursing home in the Royton area of Oldham.

### Cleavage

In 2001, at the age of 18, Michelle was runner-up in a "National Cleavage Week" contest run by sometuppenny-ha'penny London-based newspaper.

Her bubbly-blonde looks and natural 32FF breasts prompted industry experts to hail her as "the new Sam Fox".

Michelle went on to make numerous glamour modelling appearances in men's magazines such as *Loaded*, *Perfect 10*, *Nuts*, *Maxim*, *Zoo* and *Playboy*.

She was regularly partnered with model Lucy Pinder for magazine photo shoots and television appearances.

But it is Michelle's army of fans she won through the pages of *Sunday Sport* who have proved most loyal – long after the 'lads mag' bubble burst.

In 2010, she broke millions of hearts by announcing she was retiring from glamour modelling and concentrating on her singing.

Michelle is married to footballer Will Haining and still lives in Royton.

“Curvy waists, big boobs, peachy bums, g-strings, toned thighs, I love it!

"I don't mind him having a perv, it's just human nature."

"We will pick out a cute girl to get a private lap dance from and then both enjoy her gyrating up against us.

"I love the idea of looking but not touching, it's the ultimate tease.

"When we go home after a night at a strip club we are both always really horny and we just go at it like rabbits.

"Or I might even give him a lap dance myself, having picked up some tricks. But this time, he does get to touch."

## LONG 5/1 TO SCORE FOR REAL

**SOUTHAMPTON** entertain Derby in the FA Cup 3rd Round replay this evening hoping to build on an impressive three-game unbeaten run on the road. That run has seen them pick up four points from visits to Stamford Bridge and the King Power Stadium.

Saints are 13/20 with BetVictor to win in 90 minutes with the draw at 29/10 and the Rams at 4s. Shane Long ended a nine-month goal drought when "scoring" at Leicester on Saturday although his strike was going wide before Kasper Schmeichel's untimely intervention – wouldn't want to be on the dubious goals panel and take it away from him – but it was an own goal!

Long is 5/1 at BetVictor to open the scoring and it does look as if both Charlie Austin and Danny Ings will be out for Ralph Hasenhuttl through injury. It must be a concern for the new Saints' boss the number of injuries that the pair have picked up this term. Nathan Redmond has been in sparkling form for Southampton and he seems to finally be fulfilling the potential many – including Pep Guardiola – feel he possesses.

Ole Gunnar Solskjaer is 6/4 from 2/1 with BetVictor to be in charge of first-team affairs at Old Trafford on the opening day of the 2019/2020 season after United's 1-0 win at Wembley on Sunday. I felt United were good value for their first-half lead, but eleven second half David de Gea saves maintained Solskjaer's unblemished record as United boss. Better to be a lucky manager than good? It is fair to say Spurs were more clinical at Old Trafford earlier in the season.

### **Knights**

There has been lots of debate since Andy Murray's announcement on Friday of the severity of his hip problems and his impending retirement as to who is the British sporting GOAT (Greatest Of All Time). The Scott was magnificent – yes ok in defeat – against 22nd seed Roberto Bautista Agut in the first Round of the Australian Open on Monday and it should not be forgotten that the Spaniard had won his last tournament in Doha where he beat Novak Djokovic en route to the title.

Murray is 14/1 to be named BBC Sports Personality of the Year at BetVictor for 2019 with Lewis Hamilton (SPOTY in 2014) the 8/1 joint favourite alongside Anthony Joshua. Only one sportsman has won the SPOTY award three times – yes Murray in 2013, '15 and '16.

My three against the field in no particular order are three sporting knights of the realm – Ian Botham, Nick Faldo and Murray.

We have the Ashes to look forward to this summer and the 33/1 for Jimmy Anderson with BetVictor might be a shade too big and Harry Kane at 22/1 will have supporters if the Three Lions win the Nations League.

That said I will be keeping a close eye on news of Murray and his prospects for SW19. Greatest Of All Time? Just watch the third and fourth sets of Murray's match with Bautista Agut and tell me the Scot is not a very worthy contender. 14/1 for a record fourth SPOTY could look very big come the end of July.

# Jesus keeps faith in City squad

## WE HAVE TOO MANY TOP PLAYERS SAYS ACE

**GABRIEL Jesus says HIS goals can fire Man City to another Premier League title.**

The Brazilian has been in and out of the team this season but has still managed to score 14 goals, including two against Wolves on Monday night.

That kept up the pressure on Liverpool who are four points clear at the top.

Jesus said: "I am feeling good and my confidence is better for scoring goals."

"It's important to me because I am a striker who plays for a big club with amazing players, management and staff, so I need to

By **PAUL THOMAS**

score goals — but I helped the team by playing well. The team played very well to win the game.

"We believe in every single game and every competition. We are training and working a lot for the moment when they give out the title at the end of the season."

"We are second in the Premier League and want to win it. We need to go on to the pitch in every single game and win it."

"We need to keep going, working hard and playing well if we want it to be us."

Jesus believes that City are in a strong position because

there are few injuries in the squad as the season heads towards squeaky bum time.

Manager Pep Guardiola has a massive amount of talent at his disposal with the likes of Kevin De Bruyne and Riyad Mahrez left on the bench last time.

### **Amazing**

Jesus believes that powerful bench can get them over the line — as well as creating pressure for places in the starting line-up.

He added: "Everyone is fit now and wants to play."

"It's amazing, because you want to play but are happy for who is playing. We have amazing players and it's

difficult for the manager to pick players to play."

It sounds as though competition for places is forcing some City players to pull their socks up.

Kyle Walker admits being benched for a couple of games around Christmas was a real wake-up call.

He missed three matches after giving away a penalty in the defeat against Palace.

The England defender said: "It was disappointing to be left out of the Premier League line-up but it was a reality check to sit back and look on the bench."

"You probably learn more on the bench. I took it all on the chin and have to keep working hard."

# TRENT GETS BENT!

## Alexander-Arnold out for a month after crocking knee

**LIVERPOOL full-back Trent Alexander-Arnold has been ruled out for a month with a knee injury.**

The England defender appears to have picked up the problem in the warm-up against Brighton on Saturday. Despite clearly hobbling, he played the full 90 minutes. Now he has a ligament injury. It's a blow for the Reds' title challenge as they are already without Joe Gomez and Dejan Lovren, while Joel Gomez is still struggling with his own knock.

Boss Jurgen Klopp has just let Nathaniel Clyne sign for Bournemouth on loan so will be short for the next few weeks.

There is NO recall clause in that deal with the Cherries.

Mr Versatile James Milner could be pressed into action at right-back against Crystal Palace at Anfield on Saturday.

Fabinho, who operated as a makeshift central defender against Brighton, plays the position for Brazil and has experience there from his time at Monaco.

There's also teenager Rafa Camacho who played in the FA Cup defeat at Wolves.

While the players in the back four have changed, goalkeeper Alisson has played in every Premier League game this season.

**TOP MAN:**  
Alisson

**By JOHN ANTHONY**

That has earned him rave reviews from Milner who is enjoying playing alongside the £65m summer arrival from AS Roma.

He said: "It's hard to pick out one player because everyone in the squad has done so well, not just the 11 who are starting."

"I think maybe one you could select is Alisson. Coming to a new league is never easy."

"It's a new lifestyle and you are also getting used to the weather and things like that, but he's been unbelievable — from how he is around the place, to how good he is on the pitch with his feet and with the saves he makes."

### Massive

"Every single player makes mistakes and sometimes as a keeper you maybe feel a bit different because mistakes often result in a goal, but if he makes a mistake it doesn't faze him in the slightest and he remains confident and continues playing as if nothing has happened. That's so important."

"He's been unbelievable for us this season so far and I believe that he'll be a massive, massive player for us going forward."

Saturday's visitors to Anfield are having goalkeeper problems themselves.

Palace could be forced to field third-choice stopper Julian Speroni in the big match.

Wayne Hennessey and Vicente Guaita are both currently out injured and not likely to be back in time.

Speroni is 39 now but is the only fit keeper with first-team experience in the Eagles' squad.

Palace are trying rush through a loan deal for 21-year-old Brazilian keeper Lucas Perri from Sao Paulo.

He is keen on the move but it will take up to 10 days to go through.

**RIGHT KNEE TREMBLER:**  
Alexander-Arnold will miss a month

**BIG TIP:** Alan King

Referendum gets my vote at Newbury for big Al

### WINNING POST WITH BEN MORGAN

A GOOD card at Newbury is easily the feature meeting of the day and there could be one or two nice types come out of it.

The best bet looks like MIDNIGHTREFERENDUM (NAP) who will try to put it up to Nicky Henderson's highly rated Sunrise Ruby.

Alan King's mare has all the form in the book including a solid second in last year's mares bumper at Aintree. A below par return at Chepstow can be excused as she returned at Fontwell in good style beating a decent type in second. She always travelled like the winner that day and her ability to travel into her races will stand her in good stead as she encounters the long Newbury straight. I hope she has too much for the returning Sunrise Ruby.

Earlier on the card, King has a chance to notch up another win as HARAMBE must take all the beating in the 1.40. A decent bumper performer who also ran well at Aintree, can count himself as unlucky not to have opened his account yet over hurdles.

### Improved

A drop back down to a stiff two miles will suit and he should have too much class for his rivals.

Another horse who has been unfortunate enough to bump into one or two is CARLOS DU FRUITIER who has proven to be a much improved performer this term. Ben Pauling's horse was a decent performer over hurdles but has taken his form to a new level over fences finishing third on three occasions. The form of all three of those runs has worked out well and although he has been nudged up in the weights slightly, he should remain competitive as this looks a much easier assignment.

Mick Appleby is a master of turning horses around and he seems to be working his magic on CASHIEL. Previously with Tom Dascombe, Cashiel was transferred to Appleby only recently and after one pipe opener at Kempton he ran a stormer over the same course and distance last time to finish second. The step up to 1m is sure to suit on that evidence and I am expecting him to go one better.

Ben's Best Bet - Midnightreferendum, Harambe, Carlos Du Fruitier & Cashiel

# PETR CECHS OUT ON CAREER

PETR Cech will hang up his gloves at the end of this season.

The 36-year-old has dropped out of the Arsenal team and took to Twitter to make the announcement.

He said: "This is my 20th season as a professional player and it is 20 years since I signed my first professional contract, so it feels like the right time to announce that I will retire at the end of this season."

"Having played 15 years in the Premier League and won every single trophy possible, I feel like I have achieved

**By ANDY MILLOM**

everything I set out to achieve. I will continue to work hard at Arsenal to hopefully win one more trophy this season, then I am looking forward to seeing what life holds for me off the pitch."

Cech signed for Chelsea from Rennes in 2004 and won four Premier Leagues and the Champions League while at the Bridge.

A bad injury picked up way back in 2006 means he has

worn a headguard after spending four months out with a fractured skull.

He then joined the Gunners in 2015 and has clocked up 129 appearances for the north Londoners.

Cech also holds the Czech Republic caps record on 124. Plenty of football's top names have been paying tribute to the big man.

Gary Lineker said: "Congratulations on a truly outstanding career to Petr Cech."

"A wonderful goalkeeper, professional and gentleman who

has been an absolute credit to our game."

"Wish him all the very best in his retirement at the end of the season."

Former Chelsea team-mate Carlo Cudicini took to Twitter, saying: "You could have waited few more years to retire, to allow me the chance to play few more games with the Chelsea legends!!"

"I'm looking forward to fight for the #1 jersey...again."

"Congratulations for an immense career and good luck for what comes next."

# EVEN I CAN'T SAVE YOU!

**SAM Allardyce reckons no manager on the planet can keep Huddersfield in the Premier League.**

The former England boss is usually the first cab off the rank to save a struggling team.

But he's ruled himself out of taking over from David Wagner who was shown the door this week with the Terriers eight points adrift from safety.

Allardyce was the 'bookies' favourite but he isn't heading to Huddersfield any time soon.

Big Sam said: "They are rock bottom and I don't think I could change that situation, so for me it is not the right match."

"It is not the job for me!"

"Huddersfield haven't got enough goals to get out of trouble. That has been the one failing. No club has got out of such trouble after so few points after this many games."

"I know the fans won't want to hear this, it's got to be about planning for relegation and then planning to get back into the Premier League."
